**Kids Bump Heads:
Two Teeth Missing**

"All I want for Christmas is my two front teeth." Such is the true sentiment of David Pace of Macafee, who lost his two front teeth in a tackle play with Bobby Sadavage of Bindewald, whose forehead bears the marks of those two teeth. This all happened on the school playground last Thursday, Dec. 11. The two boys were running toward each other, Bobby with his head ducked, David with his mouth open—and then the collision. Mr. and Mrs. Joe Johnson, Bobby's folks, and Mr. Pace found the two boys lying on cots but feeling fine when they arrived at school. Bobby had stitches taken to close his wound, and David apparently has enough of each tooth left to be capped.

On the same Thursday, Rol and White of Zakon Rd., our fifth grade school teacher, was called to the hospital at the airport, where his wife, Martha White, was taken after an accident in the Westchester school where she teaches. She had been cutting paper with the paper cutter when someone accidentally bumped her arm, pushing the index finger of her left hand beneath the blade. She was in surgery for two and a half hours while they grafted skin to her finger. It will be

several weeks before she can use her hand freely, but everyone is so thankful it was not worse.

Expectant mother, Mrs. Jack Mitchell (Betty), 5113 Zakon Rd., missed one of the front steps and fell while leaving a friend's house. She suffered bruises and abrasions on her face and knees and broke off a tooth which cut through her lip.

Mrs. Leonard Lane (Carmen), of Bindewald, also an expectant mother, had the three-day measles recently. She is all over them now and feeling fine.

Thanksgiving Day, for Vera and Chuck Austin of Macafee Rd., was a double duty day. Besides being Thanksgiving it was the end of another year of marriage for them. They said their "I do's" 40 years ago. They are the proud parents of two boys, Gary, four, and Larry, two. As a matter of fact Larry is just two . . . as of Dec. 13.

While on the subject of birthdays . . . there are several to mention. First . . . Mrs. Isobel Philip of Macafee Road. Her birth date . . . November 30th. As you know, she started an adult Bible class many months ago; the class is still active and greatly enjoyed by those who attend. Anyone is always welcome. Just phone 5-1392 for day and time.

Also on Macafee Rd., also on Dec. 13, Jim Hunter celebrated another birthday. He is the one who has done such a fine job of adding to and improving his home.

Two birthday congratulations are in order for neighbors on Zakon Rr. Little David Clark of 5125 Zakon is now TWO . . . I will remember writing up his birth . . . Dec. 12, 1950 . . . Then on Sunday, Dec. 14, Merle Holstin added another year to her life. The whole family took a long ride in their beautiful new Dodge to celebrate.

Why not stop by and say hello to these neighbors who have not been feeling too well: Myrtis Nix of Zakon Rd., who has a bad cold; Charline Phillips of Bindewald, who had the

flu and is working too hard to "recoup"; and Dottie Bellehumeur of Macafee . . . she had the flu too. Hope you are all well by now.

Another new member to the family of Vanderhill Road this past Sunday were Mr. and Mrs. Bob O'Melia (she is Jerry) and their two children, Karen and Terry. Remember them? They were next door neighbors to the Herbets for a couple of years before they moved to Lakewood Village several months ago.

It seems I should have some sort of a date reminder but I can't find anything on my calendar at this time. I'm sure you know, don't you, that the kids go back to school the 29th of December. Then they are off again for January 1st and 2nd.

Now we're introducing Charles and Mildred Boudreau, who moved in 5210 Vanderhill Rd. just last Saturday. They are from Marlboro, Massachusetts and have only been in California about three months. Their temporary home until Saturday was in Manhattan Beach. They have two fine children, Charles, five and a half, and Eleanor, four. Welcome to the Heights!
